

**TECHNICAL INFORMATION**

|                                |             |
|--------------------------------|-------------|
| <b>Range :</b>                 | Suction cup |
| <b>Category :</b>              | Oblong      |
| <b>Series :</b>                | 4RP         |
| <b>Height (in mm) :</b>        | 30          |
| <b>Shape :</b>                 | Oblong      |
| <b>Length :</b>                | 124mm       |
| <b>Width :</b>                 | 60mm        |
| <b>inner barrel diameter :</b> | Male G1/4"  |
| <b>Number of bellows :</b>     | 0.5 Bellows |
| <b>Horizontal force :</b>      | 300N        |
| <b>Vertical force :</b>        | 150N        |
| <b>Arrow :</b>                 | 6mm         |

**Variants:**

Variant reference:

**4RP 122NI M14**

- Matter: Nitrile
- Shore Hardness: SH70
